Marmette Beige

## MARMETTE

La collezione Marmette di SAVOIA, esprime un'insieme di valori e tradizioni che vengono miscelati ed espressi in un'unica creazione sapientemente modellata in contemporaneità, pregio e raffinatezza.

Lo studio delle decorazioni e finiture, pongono innumerevoli possibilità di vestizione degli ambienti, e vogliono essere connubio fra tradizione e innovazione.

Our collection MARMETTE expresses the value of traditional Venetian terrazzo floorings, wisely modeled in contemporaneity and refinement.

The 6 base colors, in various sizes, express a timeless elegance in a beautiful matt surface with small fragments of glossy stone chips.

The decorations recall authentic handcrafted terrazzo patterns of the past, with a modern twist.

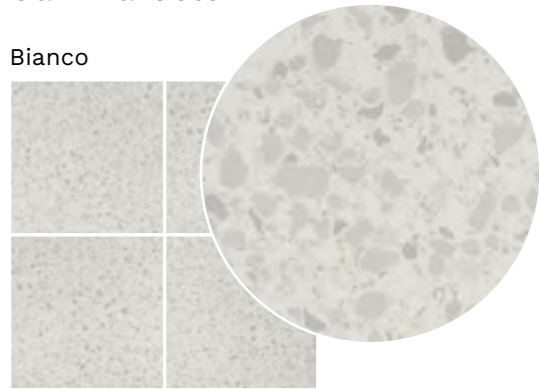

A collection that offers multiple solutions of great aesthetic value, from the most traditional to the most contemporary design, blending perfectly to any personal preference.
